

## **TRY AGAIN**

Do you think that I'm  
The kind of girl who knows about  
All the chords, all the scales, all the notes  
All that stuff? Never!

I'm just following you  
Trying to catch this train, I do  
Seems to me it's going fast  
And that's why I can't scat  
So do it!

I just wanna try  
Try again to get it right  
Wanna get in to this groove  
Way up high  
And feel cool, for ever

Then if I miss the train  
You can see that I've got legs  
And a long way to go  
To rejoin Giant's land...
